

UNLOCK YOUR  
GUT COMFORT  
With Our New  
**Biotic Yeast** Solution

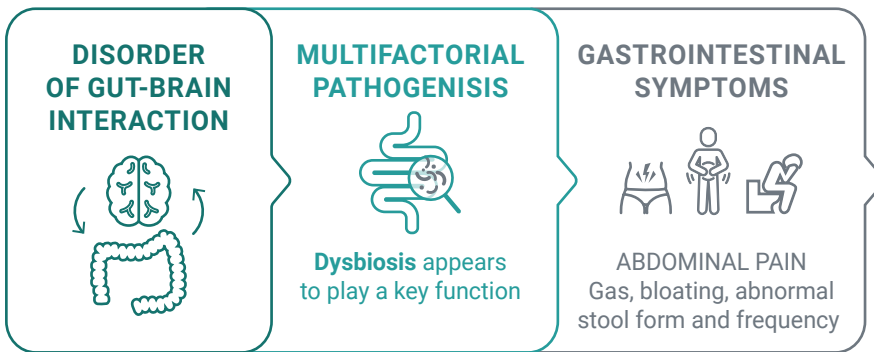

## Maintaining Balance: The Key to a Healthy Microbiota and Digestive Comfort

We all have a **unique microbiota** that reflects our digestive and overall well-being.

However, many factors (diet, stress, medication, lifestyle, etc.) can impact this natural balance daily and induce an "instability of intestinal diversity," which is often the starting point for **digestive discomfort and symptoms**.

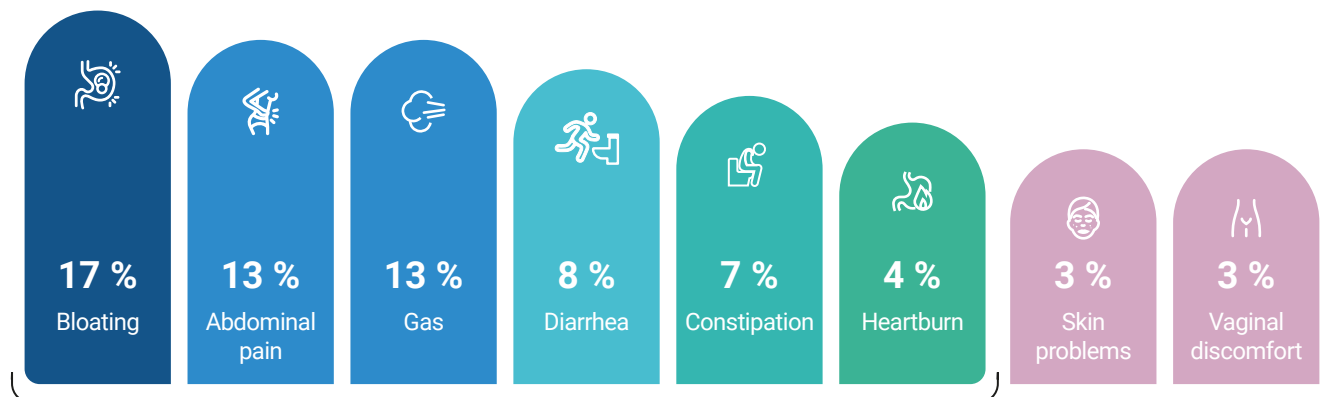

## Irritable Bowel Syndrome: A Common Disorder of the Gut

**Irritable bowel syndrome (IBS)** is a chronic disorder of gut-brain interaction characterized by abdominal pain and altered bowel habits. It **significantly impacts the daily quality of life** of millions of people worldwide.

## The State of Digestive Health: The Biggest Priority for the Biotics Market Shopper

The symptoms most likely experienced when consumers first turn to probiotics:

Consumers say **digestive issues** are the leading reason they use probiotic products.

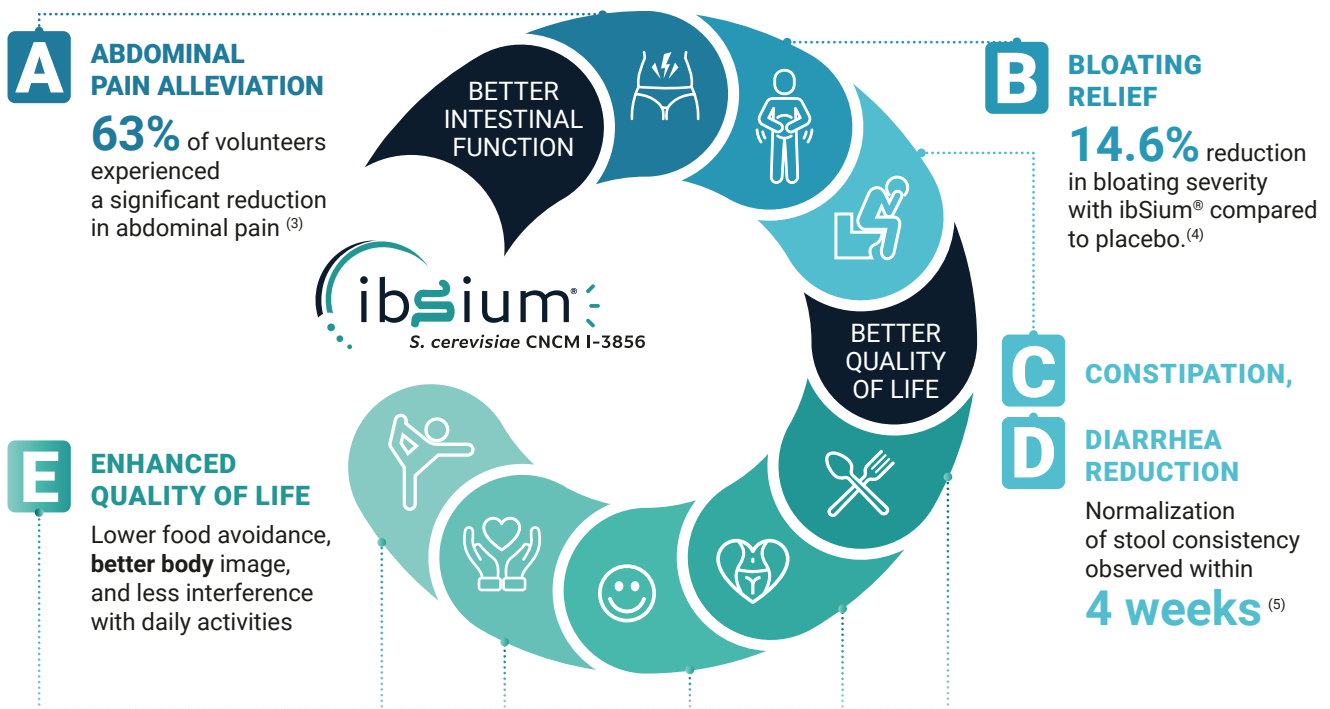

# ibSium®: The Unique Science-Based Yeast Strain for IBS Symptoms Management

ibSium® is an **exclusive** and **patented** probiotic yeast, registered as **S. cerevisiae CNCM I-3856**, that has demonstrated clinically proven efficacy for improving digestive comfort and bowel habits.

## ibSium®: The Ultimate Solution for Complete Intestinal Health

## ibSium®: The Power of a Yeast

- Antipathogenic actions in the intestine
- Resistance to gastric acid and bile salts
- Not affected by antibiotics
- No colonization effect
- No extra coating needed

# ibSium® at a Glance:

- **Lesaffre proprietary and patented strain**  
*Saccharomyces cerevisiae* CNCM I-3856
- **Strong scientific support**
  - 4 double-blind, placebo-controlled clinical studies
  - 1 meta-analysis
- **Complete intestinal support**
  - Abdominal pain alleviation
  - Bloating relief
  - Constipation & Diarrhea: bowel habits normalization
  - Enhancement of life quality
- **High-stability**  
18 months at ambient temperature
- **Easy to formulate:**  
Rod shape and powder format
- **Recommended dosage:**  
4 billion CFU/day (1 to 2 caps/day)
- **Safe in use**  
EU QPS\* status - Food grade\*\*  
\*Additional information available upon request - \*\* Generally Recognized as Safe
- **Suitable for all diets**
  -  Kosher
  -  Non-GMO
  -  Halal
  -  Vegan
  -  Vegetarian
  -  Lactose Free
  -  Gluten Free
- **Application:**  
Dietary supplement
